My sisters and brothers in Christ,

The Bicentennial Endowment Campaign was initiated in 1993 as the largest fund-raising effort in the history of our Archdiocese - \$20 million! As you review the enclosed report, you will see that the purpose of the campaign was fourfold: to substantially increase the Endowment Funds for Catholic Schools and Notre Dame Seminary, establish an Endowment for Aged and Infirm Priests, and assist each parish by return-

establish an Endowment for Aged and Infirm Priests, and assist each parish by returning forty percent of individual pledge payments to their parish.

As of October 8th, I am pleased to report that we have received over \$17,236,010
of these pledges. With the continued support of individuals, foundations and local businesses, I firmly believe that we will follect the equivalent of every dollar of the \$22,404,589 pledged.

I realize that, as in the last three years we will lose some pledged monies as families move from the Archdiocese or go to their eternal reward with God. Because of this, it is even more important for new families and businesses to participate with us through their contributions to the Bicentennial Campaign and further help the beneficiaries already supported through these endowments. As you know, these beneficiaries may represent an inner city child receiving a Catholic education, the priest who comforted you in the past, or perhaps the young man who is considering a priestly vocation. And certainly, present and future gifts to the campaign will benefit you, a parishioner whose parish has enjoyed and will continue to receive a large portion of the fledge neceipts.

In this progress report, you will read testimony and numerous statistics on how your charitable dollars are disbursed from the endowment funds. Please review this report carefully. In the interest of meeting your needs and

May our Lord's blessing shine upon you, His loving steward, for your kindness and generosity to your church and to others. As always, I ask that you continue to keep me and our many Archdiocesan ministries in your prayers.

With an assurance of my prayers, I am

Schools Benefit During First Three Years of Campaign

ith a sense of gratification and sincere appreciation, the leadership and staff of the Bicentennial campaign would like to thank and acknowledge all the people, businesses, corporations, and foundations that participated in and overwhelmingly supported the first three years of this historic \$20,000,000 BEC campaign.

At the end of fiscal year 95-96, the campaign had raised more than \$16,500,000 or 83% of the original campaign goal and now with less than two years left until the completion of the Advanced and Corporate Phases, we are confident that the goal will not only be reached but exceeded.

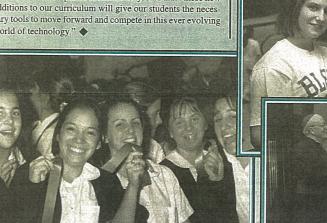

Our Catholic schools have already put your gifts of treasure to good use. St. Anthony School in Gretna, Louisiana used a portion of the Bicentennial funds to establish a new computer lab. Students from Pre-K through eighth grade receive hands-on instruction daily with the use of specialized learning software and technology. St. Anthony's Science Lab also benefited from Bicentennial campaign monies. A multimedia video hardware setup was purchased for use with Windows on Science, an instructional software program. Msgr. Gerard W. Poche', pastor at St. Anthony, said that "these new additions to our curriculum will give our students the necessary tools to move forward and compete in this ever evolving world of technology."

Seminary. Today, because of your overwhelming generosity and support, our archdiocese is already reaping the benefits of the tremendous success of this historical campaign and will continue to do so for many years to come." - Michael O. Read, General Chairman of the Bicentennial Endowment Campaign

The people and businesses within our community have displayed an uncommon generosity and an unwavering concern to provide for the educational, spiritual, and monetary needs of our archdiocesan institutions and their constituencies through the Bicentennial Endow ment Campaign." - Henry Friloux, Archbishop's Committee Chairman

hrough the years, the Catholic schools in our archdiocese have taken tremendous pride in providing a superior academic and moral education to our children and this year was mexception. On February 18, 1996, 266 high schools from across the nation were recognized for "excellence in education." Of these 266 high schools, four Catholic high schools in the Archdiocese of New Orleans - St. Mary's Dominican, De La Salle, Archdishop Chapelle and Archdishop Blenk - were given the nation's highest award for educational excellence... the Blux Ribbon Award bestowed by the U.S. Department of Education. It is a great and rare privilege for any school to achieve this honor; however, for a couple of these high schools being the best in the nation is almost customary. With this being their third award for excellence in education, Arch bishop Chapelle has joined the auspicious ranks of only two other schools in the nation to eve maintain such a track record. Similarly, the students and teachers at Dominican High School, who received their second award this spring, are without a doubt justifiably proud and wildly elated by their academic achievements. However, you can be sure that they are determined to become only the fourth school to ever win the Blue Ribbon Award three times.

It is often that we hear about the horrors and shortcomings of education in certain states of ou Union, but because of your heartfelt generosity and steadfast support for Catholic schools through the Bicentennial Endowment Campaign, not only our children but also their children will enjoy and benefit from this high standard that has long been tradition in our Catholic schools.

The definition of a successful business venture is when all the goals have been accomplished within the allotted time frame. The Bicentennial Endowment Campaign to date, because of the benevolence and support for Catholic schools by the New Orleans business community, can be considered not only a huge

but also a wise investment in our children's future and ultimately that of Southeastern Louisiana." - John P. Laborde, Chair-

Parish Collection Updates

The Bicentennial Campaign is for the Parishes, Too

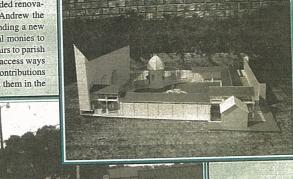

he Bicentennial Endowment Campaign was also initiated to provide support for the parishes of our archdiocese. More than \$5,555,971 or 40% of all monies pledged have been returned to the parishes to be used at their discretion. St. Peter in Covington will soon begin much needed renovations to the interior of the church with the bicentennial funds that they have received. St. Andrew the Apostle in New Orleans has used its portion to renew old parish programs and to assist in funding a new school building which opened in September, 1996. Other parishes have utilized bicentennial monies to pay off outstanding parish debts, set up computer labs in their schools, make much-needed repairs to parish buildings, and some like St. Joseph in Gretna are adding additional parking and upgrading the access ways to the church. With the parish phase of the campaign now at an end, we are thankful that your contributions have allowed the parishes of our archdiocese to not only provide for their futures but to assist them in the present.

'As the first three years of the Bicentennial Endowment Campaign come to an end, it is with great delight that I observe the benefits that have been directly derived from major gift contributions. Notre Dame Seminary and schools throughout the archdiocese have substantially increased their endowments, made much needed capital improvements, and pro-

vided tuition assistance to needy children and prospective priests. I look forward to the final two years of the campaign with an assurance that the continued generosity of our constituents will ensure the ultimate success of the Bicentennial Endowment Campaign." Paul Nalty, Major Gifts Chairman
