

"Our Faith in the Future" CAPITAL CAMPAIGN PROGRESS REPORT 2011

Dear Brothers and Sisters in Christ,

It is with a grateful and joyful heart that I present to you the first report of the diocesan "Our Faith in the Future" Capital Campaign, which began in June 2010 and continues through 2014.

This report presents a snapshot of our campaign through March 31, 2011. Future reports will highlight more parish and school projects that will be completed with campaign funds,

Photo by Tom Buchkoe

as well as how we are doing at redeeming campaign pledges.

I am honored to share with you the very generous response received from our families. With over \$4 million already paid on pledges, most parishes have fulfilled their 2010 U.P. Catholic Services Appeal obligation and are beginning vital projects to improve their parish, mission and Catholic school communities.

To all who have supported this effort through contributions of their time, talents and treasure, I offer my personal thanks!

Sincerely yours in Christ,

+ Celephondr X Smyle_

Most Rev Alexander K. Sample Bishop of Marquette

Campaign Explanation

The "Our Faith in the Future" capital campaign was designed to primarily benefit local parishes, missions and Catholic schools of the Diocese of Marquette. The active phase of the campaign was conducted from June 2010 through December 2010 with a 4-year pledge redemption period.

Parishes that conducted the Good Faith Effort were required to set a campaign target between 1 to 1.2 times their 2009 annual parish offertory. This target included

CONTINUED ON PG. 2

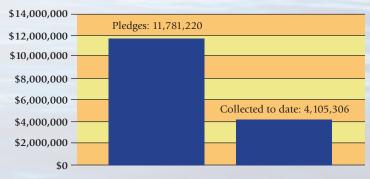

The first campaign distributions from campaign proceeds were made to parishes and schools in April 2011. In anticipation of the first distribution, and the quarterly distributions that will follow for the next four years, many parishes and schools are beginning their campaign projects. Above, second graders from All Saints Catholic Academy, Ironwood enjoy reading on new flooring.

Campaign Update

The "Big Picture" as of March 31, 2011

Total Pledged \$11,781,220
Percent of Goal 118%
Amount Collected \$4,105,306
Percent Collected 35%
Responses 9,066
Percent Response 39%

Note: Figures above include all pledges received, plus one parish that has delayed its piggyback campaign counted at its target goal (its 2009 parish offertory amount.)

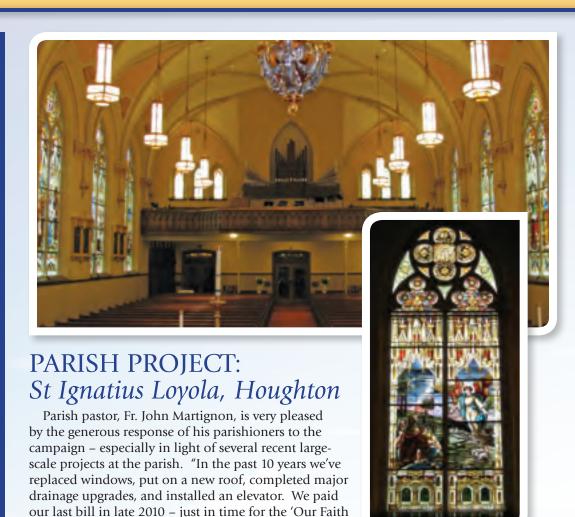

Campaign Explanation

CONTINUED FROM FRONT COVER

their 2010 U.P. Catholic Services Appeal Goal (UPCSA) and for Non-Subsidizing parishes (those that do not directly support a school,) it included their annual school assessment as well.

Parishes were split into Subsidizing and Non-Subsidizing and chose a percentage to fund the Legacy of Faith endowment. Subsidizing parishes were asked to choose between 10-20% and Non-Subsidizing parishes were asked to choose between 30-40%. Subsidizing parishes will split their parish portion 50/50 with the local school. Good Faith Effort parishes will share in the costs of the campaign at 8% of the amount collected on their parish pledges.

Several parishes were approved for a Piggyback option of the campaign. These parishes were required to guarantee their 2010 UPCSA goals, their percentage to Legacy of Faith and, if a subsidizing parish, a share to the local school. These parishes were then permitted to conduct their own campaigns to address their larger local needs, keeping 100% of everything they raised over their guaranteed amount. Piggyback parishes were responsible for their own campaign costs, including professional counsel. One parish was granted a delayed Piggyback and one parish (including a mission) was granted a delayed campaign.

The parish will use its first campaign funds to renovate the men's and women's rest rooms in their parish hall. "We are constantly fixing things and replacing old parts in both rooms," says Martignon. "We plan to completely re-do both rooms, and get new tile, fixtures, sinks, toilets, lighting – pretty much two brand new rooms!"

The parish has already engaged engineers to work on drawing up plans and hopes to begin renovation work early this summer.

Partnering for Success!

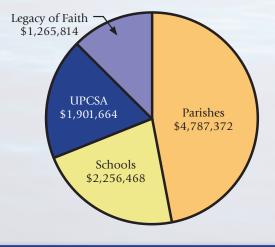

in the Future' campaign," said Fr. Martignon.

Your timely pledge payments over the next four years will enable us to provide the necessary funding to parishes and schools for vital improvements to their physical plants and ministerial programs.

Should you have any questions or wish to make a change, please call Wendy Negri directly at 906/227-9104 or email wnegri@dioceseofmarquette.org.

An estimate of how campaign proceeds, net of costs, will be distributed to the various case elements over the four years of campaign pledge redemption is shown at right.

Don't forget – The U.P. Catholic Services Appeal returns this fall at your parish in its usual form. Thank You!

Supporting campaign efforts

Inspired by its mission to preserve and foster the Catholic faith in the Upper Peninsula, the Legacy of Faith endowment foundation provided a loan to cover early capital campaign expenses. Good Faith Effort parishes will begin repayment of the loan in 2012

from their campaign proceeds. An additional gift from Legacy of Faith will aid in covering campaign costs.

Good Faith

PIGGYBACK CAMPAIGN PROJECT UNDERWAY St Anne Parish, Escanaba

For some time there was a growing recognition of the need to address the lack of gathering space, accessibility of rest room facilities, and an elevator for those who worship at St. Anne. In conjunction with their pastor, Rev. Francis DeGroot, parish leaders decided to take advantage of the opportunity to address both their parish needs and fulfill their diocesan obligations to the "Our Faith in the Future" campaign by choosing the Piggyback option. With well over \$1 million now pledged, the parish has begun Phase 1 of the project to add rest rooms on the main floor and basement levels and to provide elevator access from the basement to the choir loft. Phase 2 involves an extension of the choir loft. Phase 3 will allow for a barrier free main entrance along with a driveunder canopy.
