

STEWARDSHIP REFLECTION

**Does your prayer life support and nurture a life grounded in God's abundance?
Do you fall into the trap of praying at specific times throughout the day, whereas
your prayer becomes "routine"?**

Practical Suggestions:

- Be much more specific and personal in your prayers rather than just reciting standard lines.
- Keep in constant communication with God throughout the whole day, regardless of what is going on.
- Deepen your sense of gratitude for all that God has given you.
- Open your eyes to the many miracles that are occurring around you daily that you may not have noticed before.
- A wonderful way to give gratitude to God is by praying the examination of conscience daily.
