

## PRAYER INTENTIONS

Our Church continues to celebrate and reflect God's infinite love, carrying out the Mission of Christ even during these uncertain and trying times. The threat of the global virus calls us to solidarity in our actions and support for one another, and stronger faith and hope. I am inviting you to join me in participating in "Raising our Prayers 🙏 Raising our Hope," our diocesan prayer intention initiative, praying for one another, as I commit to praying for you.

Tell me, "What can I pray for, for you?" Respond back and I will include your intentions in my daily, personal prayers.

*Send your Prayer Intentions to Bishop Oscar Solis*
