

RAISING OUR PRAYERS

RAISING OUR HOPE

CATHOLIC DIOCESE
of Salt Lake City

Dear _____,

Greetings of Christ's Peace and Love.

Prayer is a beautiful and essential way for us to ask for God's blessings and assistance. In my quiet moments with our Lord, I offer myself, a humble servant, for the benefit of my brothers and sisters - you. Rest assured of my prayers for your intentions.

I was moved to pray for you. I believe in the efficacy of prayer, and know that God always responds to our needs in ways that give us hope.

Saint Gregory the Great wrote "He causes his prayers to be of more avail to himself who offers them also for others." No intention is too large or small, and they become more potent when others are praying for them as well. Please pray fervently and with love for our diocesan intentions and the needs of others.

May God bless you and continue to fill our hearts with joy, love, and peace.

The Most Reverend Oscar A. Solis, D.D.
Bishop of Salt Lake City
