ICSC GOLD Strategic Partners at the 2021 Virtual Conference

The members of ICSC are very grateful that GOLD Strategic Partners will be able to share their wisdom at the 2021 ICSC Virtual Conference. We thank them for their commitment to ICSC at its conferences, regional meetings, webinars and for providing resources throughout the year. Their partnership and commitment to the mission of ICSC in advancing the Gospel imperative of stewardship, as a way of life in the Catholic Church, is invaluable.

We are grateful for the following presenters who are giving their time to offer their wisdom and experience at the ICSC 2021 Virtual Conference. We encourage conference attendees to connect with them through the Whova conference platform to learn about their impact on our dioceses and parishes.
