

THE ASK

Best Practices

- Use a Witness Speaker
(Have them use Witness Guide for reference)
- Have Witness Speaker 'Ask' to fill out commitment card
- Consider using Smart Phone at end of Live Mass to access online pledge card or reference the link during Live Stream
- Communicate the Vision & Mission of your Parish and how the message of Stewardship supports that Vision/Mission
- Encourage different ways to pay your pledge in the coming year
- Use segmented letter (contains donation history and suggested increase)
