Pastor's Address

Dear Youth,

Our parishes are our spiritual homes where we gather to worship God and encounter Jesus in the Holy Eucharist. Good stewards make vibrant parishes through their service to God and his people. "Commitment Sunday" is an invitation to either renew your service to the Church or participate in the various ministries of parish life by sharing your God-given gifts.

We should never be discouraged to give what little we have to God as St. Andre Bessette put it: *"It is with the smallest brushes that the artist paints the most exquisitely beautiful pictures."*

I encourage you to spend time in prayerful silence with the Lord to discern how you could offer your God-given gifts to Him for the benefit of us all. After consulting with your parents, please inform the parish office.

Yours in Christ,

Fr. _____

What is Stewardship?

A steward is someone who receives God's gifts gratefully, develops those gifts responsibly, shares those gifts lovingly in justice with others, and makes a return with interest to the Lord.

In Biblical terms, a steward is a servant entrusted with the goods of the Master who will one day enquire how we put them to use for the greater good. We also learn through the Scriptures that responsibility is inseparable from stewardship, which calls for creativity and boldness. If we truly embrace the spirit of stewardship, then we will not waste God's gifts but use them to serve others and give glory to God.

Stewardship starts with prayer and is a continuous discernment of God's will. A few key areas to grow in union with God include attending Mass, receiving the Sacraments well, praying the Rosary, reading the Bible and other forms of spiritual reading, and consuming good Catholic content.
