Helpful Tips to Fulfill Your Pledge

1. You may go online to www.cfocf.org/oca/give and make your payment there.
2. Send the enclosed pledge reminder with your gift. This helps ensure that your gift is applied to your pledge.
3. Mail your gift in using the enclosed envelope or to the address provided on your pledge reminder. Turning in your gift at your parish may result in your gift being mistaken as an offertory gift.
4. Using the enclosed envelope will ensure that your gift is received and credited in a timely manner, which helps to keep your next reminder accurate and up-to-date!
5. If you have a pledge that is still open from a previous year, be sure to send your gift with the correct year's reminder.
6. Remember, that any gifts received after the 20th of the month will be reflected on the next month's reminder. By remembering this tip, you may avoid duplicate payments or overpaying your pledge.
7. If you see a discrepancy on your reminder, please let us know so we can remedy the issue as soon as possible.
