Mr. & Mrs. John Donor
190 Faith Avenue
Orlando, FL

Dear Mr. & Mrs. Donor:

We know we are asked to Trust in the Lord. These four words are the words of faith in God.

In recent weeks, many members of our parish community have shared their blessings by offering a gift to ***Our Catholic Appeal***, which unites us as one faith family to support the wonderful programs and ministries of the Diocese of Orlando. However, we have not yet heard from you. I pray that you are able and can join us in generously making a gift to support our family of faith.

Your gift to ***Our Catholic Appeal*** supports our diocesan family with administrative support for our parish (and school), seminarian education, priest retirement, Catholic School tuition assistance, and faith-formation and sacramental experiences for children and adults. Your generosity also provides our neighbors in need with healthcare, housing, medical and food assistance as many continue to struggle because of the pandemic.

For your convenience, pledges can be paid over 3, 6 or 10 months and you can make automatic payments with a credit or debit card. I have enclosed a pledge envelope for you to return by mail, or you may visit our secure website at www.ourcatholicappeal.org to make your gift or pledge online.

Together we help to bring our world to its fullness of charity. Your gift, no matter the amount, extends God's ministry as it heals our community's wounds. I am deeply grateful for your support.

Blessed is the one who trusts in the LORD, whose hope is in the Lord (jer17:7).

Sincerely yours in Christ,
