

Stewardship of Treasure

In Thanksgiving for God's many blessings in my life, I / we will make a financial commitment of _____% (or \$ _____) of my / our income to (name of parish). This gift is proportionate to the blessings received from God. I will "gift wrap" my contribution by using my Parish Offer-tory Envelope in the following man-ner:

_____ Weekly
_____ Every other Week
_____ Monthly
Other _____

See the attached "Self-Test of Giv-ing" for suggested offertory contribu-tions. A good goal would be to work toward giving 5% to the parish, 1% to the Diocesan Support Appeal and 4% to other charities.

This portion will be held confidential.

Saint Paul said, *"There are different gifts but the same spirit; there are differ-ent ministries but the same Lord; there are different works but the same God who accomplishes all of them in every-one. To each person the manifestation of the Spirit is given for the common good.*

1Cor 12: 4-7

*"You never really possess things.
You merely hold them for a while.
If you are unable to give them away,
you are held by them.
Whatever your treasure,
it must be held in the
palm of your hand
as water is held.
Clutch at it and it is gone."*
