

Personal Stewardship

Being a disciple of Christ can be looked at in some objective and measurable terms:

- ✓ Living with generosity in all aspects of one's life.
- ✓ Regular attendance at Sunday Masses and other parish and school liturgical events.
- ✓ Making time for faith-filled personal and family prayer.
- ✓ Participating in parish spiritual and educational opportunities for individuals or for the whole family.
- ✓ Regularly using personal talents in the service of the parish, school, and diocese.
- ✓ Taking an active role in helping those in need through various programs in the parish, the school, the diocese or our community.
- ✓ Contributing a percentage of your income to the support of your parish and your school.

"The promotion of the practice of stewardship is important for the mission of the Church and for the spiritual well-being of each individual Christian. Everyone benefits from the sacrificial gift one makes of his time, talent and treasure."

- Pope Emeritus Benedict XVI

Four Core Values

- *Identity*
- *Trust*
- *Gratitude*
- *Love*
