Subject: Welcome!

Welcome {First name}!

Thank you for joining the thousands of Catholics supporting the Annual Diocesan Appeal. Your {Latest gift amount} gift is impacting the lives of seminarians, retired priests, parishes, respect life organizations, schools and many more.

As a new supporter of the Annual Diocesan Appeal, you will begin receiving the [North Texas Catholic magazine](#) by mail and the [Advancing the Mission Newsletter](#) by email. These publications continue to tell the story and impact of your gift in the Diocese of Fort Worth. Each year we are transparent with how your generosity is utilized by producing an [online impact report](#).

This year, Father Eugene Nyong's two parishes received a grant for the salary of a full-time youth and family minister named Olivia. She is responsible for junior high, high school, family faith formation and RCIA. She has been successful in equipping parents to better teach their children the faith. Without your generosity, these parishes could not afford a disciple like Olivia.

Fr. Eugene Nyong, Pastor of St. Mary, Graham and St. Theresa, Olney, is grateful for the parish grant awarded his parishes. "At this difficult time, we believe this [grant] will greatly help us in sustaining the programs to accompany the youth and families in both parishes."

{First name}, on behalf of 23 parish grant recipients, 24 seminarians, thousands of school children, pregnant women in need, retired priests and the thousands more who received your donation, **thank you for answering the *Call to Gratitude*.**
