Inspire Giving. Fund God's Work.

Dear «Church Informal Salutation»,

You and I have something in common - we have benefitted from the services of The Catholic Foundation to manage our non-cash transactions to achieve our philanthropic goals. **The Catholic Foundation of Central Florida has been entrusted to support our charitable giving so that it can address community needs today and tomorrow.** The positive philanthropic change we can make in our community is supported by their careful stewardship.

In 2005, Catholic community leaders participated in a Catholic synod process that recommended the formation of a community foundation to provide sustainable funding for the Church in Central Florida. The Catholic Foundation of Central Florida was incorporated in 2007, to realize this vision for the future of our Church in Central Florida. Since then, The Catholic Foundation of Central Florida has been supporting Catholic parishes, schools and organizations improve their financial wellness and donors to maximize their philanthropic impact by engaging with the causes they care about most.

By entrusting our philanthropy with The Catholic Foundation, we become a part of an impact greater than just our own giving. The Catholic Foundation invests a significant amount of time and talent to faithfully grow, protect, and steward the charitable gifts that our community entrusts to us through a variety of donor services, the management of endowments, planned giving, offertory enhancement, and more. **Through this partnership, Catholic organizations, parishes, and schools are able to receive sustainable and enduring financial support that their own resources would not have been able to secure otherwise.**

This organization manages over 150 endowed and reserve funds, ensuring a secure future for our parishes, schools and ministries. Through the generosity of donors, these endowments allow us to distribute nearly \$2 million back into the community each year towards the support of Catholic education, parish life, priest retirement, seminarian formation, and social services. As participants in the services of The Catholic Foundation, we have the chance to protect and enhance its growth, for ourselves, others and our Church in Central Florida.

Today, I offer an exciting opportunity - **lend your support to The Catholic Foundation before June 30 and the Board of Directors will match total gifts raised, up to \$50,000.** That is twice the impact! In addition, your gift will begin your membership in the St. Katharine Drexel Society. This group requires no additional effort to join and deepens your relationship with The Catholic Foundation through communications, impact reporting, and fellowship. We would appreciate your partnership with us through this annual society to inspire giving and fund God's work.

We offer this match out of our complete faith in the generosity of our community and the knowledge that our diocesan community understands how crucial it is to have a Foundation that can provide so many services to our donors, parishes, schools and organizations - complex gifts processing, fundholding, legacy giving, offertory support and more, providing for the needs of today and ensuring the future growth of the Church in Central Florida. **I ask you to join me in making a gift to The Catholic Foundation itself today, so that these impactful services may continue.**

Sincerely in Christ,

*J. Thomas Chandler  
Chairman of the Board of Directors, The Catholic Foundation of Central Florida*

Dear «First Names»,

As current chairman of the Board of Directors for The Catholic Foundation of Central Florida, I want to thank you once more for your strong examples of leadership, talent, and true Catholic dedication to philanthropy. The foundation you and your colleagues established is what allows the current Board to continue to grow The Catholic Foundation to its fullest potential. **Today, I ask you to participate in that growth once more.**

As you know, The Catholic Foundation invests a significant amount of time and talent to faithfully grow, protect, and steward the charitable gifts that our community entrusts to us. With this partnership, organizations, parishes, and schools are able to receive sustainable and enduring financial support that their own resources may not have been able to secure otherwise. **Just as The Catholic Foundation benefitted from your stewardship on the Board, so does our entire diocese benefit from the humble but effortful work of The Catholic Foundation as we bring our Church to it's fullness of charity.**

As leaders of The Catholic Foundation, we have the opportunity to protect and enhance the ability of the Foundation to serve. The Catholic Foundation of Central Florida manages over 150 endowed and reserve funds, ensuring a secure future for the parishes, schools and ministries throughout the diocese. Through the generosity of our donors, these endowments allow us to distribute nearly \$2 million back into the community each year towards the support of Catholic education, parish life, priest retirement, seminarian formation, and social services.

Today, I offer an exciting opportunity – **lend your support to The Catholic Foundation before June 30 and the current Board of Directors will match total gifts, dollar for dollar, up to \$50,000. That is twice the impact!** In addition, your gift will begin your membership in the St. Katharine Drexel Society. We would appreciate every former board member being a part of this Society inspiring others to give and support the mission of The Catholic Foundation.

We offer this match out of our complete faith in the generosity of our community and your understanding of how crucial it is to have a Foundation that can provide so many services to our donors, parishes, schools and organizations - complex gifts processing, fundholding, legacy giving, offertory support, and more, providing for the needs of today and ensuring the future growth of the Church in Central Florida. **I ask you to join me in making a gift to The Catholic Foundation itself today, so that these impactful services may continue.**

Sincerely in Christ,
