Subject: Upcoming PGAC Meeting (hybrid) - February 16 at Bishop Moore Catholic High School

Dear PGAC Members,

We are excited about our upcoming Planned Giving Advisory Meeting on Thursday, February 16 at Bishop Moore Catholic High School, Orlando. We will start with breakfast/networking at 8:30am followed by the meeting from 9:00-10:00am. Guests are invited.

We would love to see you all in person, but we will have a Zoom option for those who are unable to join us. Please RSVP to this email and let me know if you will be attend in person or via Zoom. (For those joining remotely, I will follow up with a Zoom link next week.)

Our meeting will feature a panel sharing the Impact of Legacy Gifts in the Diocese of Orlando!

Over the years, bequests have had a transformative impact on a number of ministries in the Diocese of Orlando. Some of these bequests were spent immediately on an area of greatest need or to establish a new program or ministry; others were used to start or expand endowments for the long-term financial stability of the ministry. These unexpected cash infusions from legacy gifts make an impact on the financial resiliency of our diocesan ministries. Hear more about the impact of these gifts from our panelists.

Our panel will include:

Fr. Anthony Aarons, Rector of the Basilica of the National Shrine of Mary, Queen of the Universe
Kevin Casey, CFO – Diocese of Orlando
Gary Tester, President of Catholic Charities of Central Florida
(We are waiting for confirmation on an additional panelist.)

I hope to see you all on February 16th!

Blessings,
Madelyn
