

Bishop's Brunch: A Celebration of Light 2021 Sponsor Offerings

The third annual Bishop's Mass and Brunch will pay tribute to members of the 1918 Society of the Diocese of Lafayette. 1918 reflects the year this Diocese was founded and reminds us of the legacy of faith that has been passed down from one generation to the next. Created in 2018 in honor of the 100th year of the Diocese, this Society is comprised of the most generous donors to the annual Bishop's Services Appeal. These special individuals have been a source of light and hope to thousands of families in the Diocese of Lafayette.

The event will consist of morning Mass celebrated by Bishop J. Douglas Deshotel followed by an elegant brunch in the courtyard of the historic Immaculata Center. Your sponsorship of this event on the morning of **Sunday October 24, 2021** signifies your desire to celebrate and illuminate the generosity of those who have dedicated themselves to a greater good. We will observe all safety mandates in effect at the time of this event.
