Dear <Primary Salutation>,

This year's BSA challenges us to *Grow in Charity and Love*. To do more. To be more. To be our best and most generous selves. Why? Because YOU will make an astounding difference in the programs and ministries at the heart of the Catholic mission—proclaiming the gospel, passing on the faith to future generations and helping people in crisis.

Your support of the BSA means that our diocese and our parish continue as strong and steady forces in Catholic life. If you have already made your gift to the 2022 BSA, I thank you for extending Christ's love and charity through your generosity.

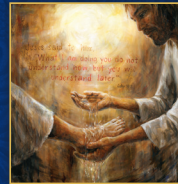

If you have not made a gift to this year's appeal, could I ask you to prayerfully consider a gift today?

As a fellowship of givers, we find grace and goodness together. I am grateful for the strength I see in you—in your values, in your faithfulness to our parish, and in how you care for others. God's blessings to you and your family.

Appreciating you always,
