DIOCESE
of
AUSTIN

Dear <<First Name>>,

It's hard to believe, but nearly 67% of Americans don't have a legal will. For those in our diocese who fall into this category, the Diocese of Austin has partnered with FreeWill to offer our entire community the opportunity to create their legal will for free during National Make-A-Will Month. Having a will in place that intentionally stewards our financial resources has definitely brought my family a sense of peace. It's something my wife and I sit down and review every year because we're committed to honoring God with the many blessings He's given us.

Creating a will can help you:

- Protect your family and loved ones and ministries that matter to you
- Steward the blessings God has entrusted to you
- Create a legacy that extends your faith and values far beyond your lifetime

Create my will!

While you create your estate plan, you'll also have the opportunity to make a legacy gift. Legacy gifts cost nothing today but ensure that the mission and ministries of the Diocese of Austin can continue for future generations. Please know that creating your will with this program is free, whether you make a legacy gift or not.

Make your will today and join our community in celebrating National Make-A-Will Month!

God bless,
