

Dear <Primary Salutation>,

I would like to take this moment to thank all those who have generously responded to this year's Bishop's Services Appeal, *Bringing Hope and Healing*.

As a parish family we have persevered through extraordinary circumstances—church closures, two hurricanes and a worldwide pandemic. There is still much work to do. The BSA plays a pivotal role in funding programs and ministries at the heart of the Catholic mission—to proclaim the gospel, to pass on the faith to future generations, to form our future priests and to help people recover from catastrophe.

If you have not made a gift to this year's appeal, could I ask you to prayerfully consider a gift today?

Thank you again for the many ways you support our parish and our diocesan family. May God bless you and your family as we move forward in hope during 2021.

Appreciating you always,
