

BUILDING HIS
KINGDOM

A Prayer for God's Kingdom

Dear God,

We pray for your kingdom to come
on earth as it is in heaven.

May your will be done on earth,
just as it is in heaven.

We pray for peace and justice
to reign in our world.

We pray for an end to poverty,
suffering, and disease.

May your love and mercy be shared
with all people, and may your light shine
bright in the darkness.

We pray for your guidance and wisdom
for all leaders, that they may seek to
serve and protect the people under
their care.

We pray for strength and courage for
those who are facing hardship and
struggle. May they find hope
and comfort in you.

We pray for unity and harmony among
all people, that we may come together
as brothers and sisters, children of the
same loving God.

We pray all of these things in
your holy name.

Amen.
