

STEWARDSHIP: A JOURNEY OF HOPE

REGISTRATION INFORMATION

63rd Annual
Stewardship Conference

Chicago, Illinois | September 21-24, 2025

ICSC Celebrates its 63rd Annual Stewardship Conference in Chicago!

miraculous catch of 153 large fish. Receiving these gifts, and experiencing the meal with Christ Jesus that followed, transformed the disciples. It was an experience that gave them courage, new insight and hope.

Like the disciples fishing in the sea of Tiberius, being good stewards of our own faith is often challenged. We sometimes find ourselves lacking in the knowledge or resources to carry out our mission. But just as we confess our limitations, Jesus always surprises us with new gifts, new insights and new hope. As we come to trust him, we suddenly discover our nets are surprisingly full. Even better, we realize the Lord is right there with us, a companion on our journey of hope.

The ICSC conference offers its members and attendees an opportunity to gather and reflect on stewardship in the Catholic Church and to continue to prepare for its transformational future.

As a gathering of Catholic stewardship leaders and professionals in Catholic philanthropy from the United States and around the world, past attendees have said that the conference not only helps them promote stewardship as a way of life, but it also gives them courage, hope and a renewed spirit. We hope you will join us in September to be encouraged and inspired.

The International Catholic Stewardship Council invites you to register for its 63rd annual conference taking place from September 21-24, 2025, at the Hyatt Regency Chicago. The event's theme, **"Stewardship: A Journey of Hope,"** resonates with Pope Francis' Jubilee Year of Hope, urging Catholics to rekindle their hope in Christ and experience anew the delight of encountering the Lord.

The conference image is a work of art by the contemporary artist Jorge Coco Santangelo. Titled **"The Lord is Calling,"** the image reveals to us the Easter appearance of Jesus to the disciples at the sea of Tiberius as depicted in the last chapter of the Gospel of John (21:1-14).

Totally frustrated by their failure to catch any fish all night long, the disciples suddenly encounter the risen Lord, who, standing on the shore, instructs them to cast their nets on the right side of their boat (John 21:6). Following Jesus' instruction, the disciples cast their net and received the surprising gift of a

Parish Stewardship Exhibition

No matter where you are on your own stewardship journey, visit the Parish Stewardship Exhibition and experience how

other parishes are embracing and promoting stewardship as a way of life. Located in the Exhibit Hall, experienced stewardship parishes will showcase materials, share resources, and be available to answer your questions. Attendees can connect with fellow stewards to gain practical insights and ideas for their own parish stewardship efforts.

Regional Meetings: "Where do we go from here?"

The last sessions on Wednesday morning, September 24, will allow attendees to gather and network

with other stewards in their own part of the country one last time before going on their way. Regional meetings for parish stewardship leaders and diocesan directors are scheduled from 10:00 to 11:00 am that day. These regional meetings are specifically designed to provide attendees with a chance to network, share conference experiences, exchange contacts, and build partnerships for ongoing stewardship efforts.
